The Berkshire Chronicle Friday 29th October 1915

### **PRESENTATION TO TPR POTTS VC**

Trooper Potts VC is to be presented with a clock and a plated tea service by the employees of the Pulsometer Engineering Co at Reading where he was formerly employed. The gifts will be accompanied by an illuminated address containing the names of the subscribers and the presentation will take place at a complimentary dinner and smoking concert which are to be held in his honour. A committee, of which Mr S Potter is the secretary, has been formed at the works to carry out the arrangements. The appeal is meeting with an excellent response.
